## BOOT CAMP BUDDIES—SERIES

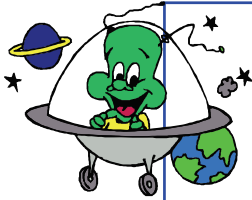

A five part drama, (each 7 minutes), with a wacky but impacting military boot camp theme, excellent for VBS or children or sermon starters. Camp Follow-You is underway and everything had better be just right! Except that there is a new recruit named Chester Romeo Hunkalunk from Goose Feathers, Iowa who is, well, different. The individual segments focus on love, trust, prayer & obeying. We have written an original “marching” song for each theme. Cast: 6 (male or female) [See more information here](#).

## Monologs Written:

- [Of One Mind](#) is a 5 minute monolog on the unique relationship between Paul and Silas
- [Scared to Life](#). The warden of a Macedonian prison tells of “earth-shaking” events when Paul and Silas were incarcerated. 8 minutes
- [The Messiah of the Manger](#). Could a long-awaited Messiah be born in a humble manger? 5 minutes
- [The Messiah of the Resurrection](#) tells of a follower of Jesus who leaves Jerusalem heart-broken after seeing Jesus crucified. 7 minutes
- [Major Makeover](#) speaks of the transformation of Saul into Paul as he goes from being a persecutor to follower of Jesus. 5 minutes

## ALIENS LIVE IN THE CHURCH — SERIES

A three part drama, 4 minutes each segment, for 2 actors, tells about an alien who lands in the church parking lot. . . Seems a “civilization” out there have been listening to some strange noises and they came to investigate .. Turns out it’s worship music.

A kind of wacky premise but it carries a very good message as to how Christians living in a non-Christian world are kind of “aliens”.

We also wrote a 4 minute drama for 2 actors, [Homeless Alien](#), about a homeless street person who is befriended by a Christian.

## SPLASH MAN — SERIES

A three part drama, (10 minutes each segment) is all about the (not so) super-heroes, Splash Man and Splash Girl, excellent for VBS or children’s group. The individual themes are based on Jesus calming the water, washing the disciple’s feet and talking with the woman at the well. We have written an original song for each theme.

Cast: 4 (male or female) [See more information here.](#)

## THE RED BANDANA GANG

Every time I see a script written by Dal Harris I think . . . “now why didn’t I think of that idea?” . . Dal’s current script, “The Red Bandana Gang” is hilarious and hard-hitting, telling the old story of the “Good Samaritan” in a great new way.

Cast: 4-6 (could be male or female), run-time 4 minutes
